Approved the Department Production and Financial Reports.

Approved the audit.

Approved Work Order Inventory #549 for \$114,955.20.

GRADUATING HIGH SCHOOL STUDENTS have the opportunity to obtain financial assistance for higher education. The purpose of the scholarships is to provide financial assistance to deserving students whose parents or legal guardians receive electrical service from Carbon Power & Light. It is part of our commitment to community to provide these scholarships.

Three scholarship opportunities are available to students whose parents or legal guardians receive electricity from Carbon Power & Light and are U.S. citizens.

CARBON POWER & LIGHT SCHOLARSHIP

Six \$1,000 Scholarships are provided to students attending an accredited college or vocational-technical school in the State of Wyoming or at the University of Wyoming as a full time student.

BASIN ELECTRIC POWER COOPERATIVE SCHOLARSHIP

The Basin Electric Power Cooperative scholarship is for graduating seniors. This scholarship will award an applicant with one (1) \$1,000 scholarship to further the student's education at a certified vocational or technical school.

TRI-STATE G&T SCHOLARSHIP

This scholarship is for graduating seniors. A \$500 scholarship will be awarded to two applicants enrolling in ANY post-secondary accredited institution having at least a one-year degree program.

To obtain an application for the above scholarships or apply for other scholarships (geared specifically for electrical careers), log onto www.carbonpower.com and click on "scholarships".

The application(s) must be postmarked or received on or before 4:30 p.m. Monday, February 1, 2021. For questions, please contact Valerie Remick by emailing vremick@carbonpower.com, or by calling Monday-Friday, 8 a.m.- 4:30 p.m. at 307.326.5206 or 800.359.0249.

CLOSED

Carbon Power & Light will be closed December 25th and Jan 1st for the holidays.

In the event of an outage or service interruption, call 307.326.5206 or 800.359.0249 24 hours a day, every day.

Member-Owned Service - Proud

RUSSELL WALDNER, GENERAL MANAGER

We will continue to look to future technologies and prepare ourselves.

There is no shortage of projects on Carbon Power's construction list. We have line improvements, substation rebuilds and Member requests to keep Carbon growing and working to maintain safe reliable and cost effective power for the Membership.

Merry Christmas!

I hope you are all looking forward to the Holiday season and were still able to reflect on your blessings even if Thanksgiving was COVID-19ed (COVID-19ed is the same as fubar).

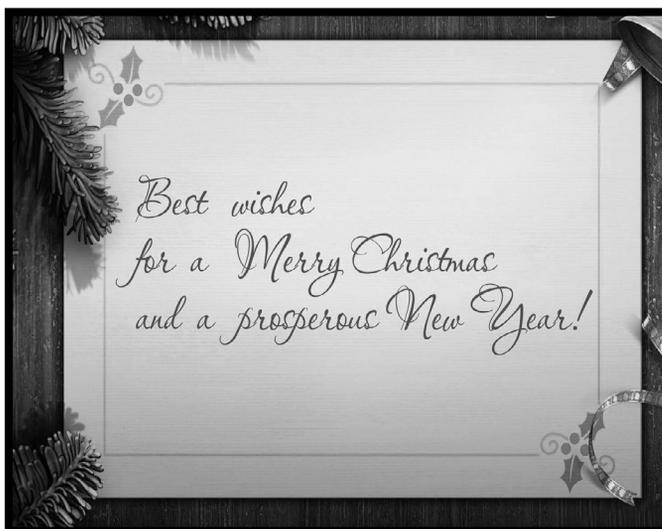

As always if you have comments or questions please contact us.

Our new service rebate program was a success. The purpose was to generate interest in new services to make the most of the gloomy picture we were having painted for us back in April. We will complete more new services this year than we have in a decade. We have had a very busy construction season.

We have been evaluating locations for EV (electrical vehicle) charging sites. The State of Wyoming has been conducting a study as well and we hope to use their data.
